

**Article VII:** Students

**Section B:** Services

**Policy 010:** Accident Insurance

**VII.B.010:** The RCC Board authorizes the College President or his designee to designate a student accident health insurance plan to be recommended as an optional program to RCC students. Details of coverage shall be printed and made available to all students.

**Article VII:** Students

**Section B:** Services

**Policy 020:** Health and Safety

**VII.B.020:** The Vice President of Student Services shall oversee procedural guidelines for administering first aid promptly to students who are involved in an accident or suffer sudden illness on the campus or in a college-related activity.

RCC does not provide health services; students must seek medical care when needed as their own responsibility.
