Monitor your financial aid status at myRogue. Submit a FAFSA for the corresponding academic year at www.fafsa.gov and any documents subsequently required by the college to complete your Financial Aid application. Doing so by the priority deadline will allow us to make every effort to issue an Award letter to you before the next term starts.

**Net price calculator**
www.roguecc.edu/FinancialAid

This tool helps students estimate educational costs, possible financial aid and approximate out-of-pocket expenses, assuming a timely and valid financial aid application is submitted. The calculator uses an average annual cost of attendance that includes tuition, fees, room, board, books, supplies, transportation and personal/miscellaneous expenses for a full-time, three-term student.

Not all students will qualify for all of the aid the calculator indicates may be available, and the calculator should not be used as the primary means of selecting a school. It is not designed to replace the Free Application for Federal Student Aid (FAFSA) or a complete financial aid award package provided by a college financial aid office.

A family who has high income or significant assets will not receive an accurate estimate of financial aid eligibility. For more information, contact Rogue Central Services at rcs@roguecc.edu.

*Financial aid processing takes approximately 6 weeks. If you did not complete your financial aid application (FAFSA + required documents to RCC) by this priority deadline, plan to start the term at your own expense or wait to enroll until after you have an Award Letter or otherwise know you are financially ready to pay. Books average $100 per class and tuition/fees must be paid or an installment plan signed by the term payment deadline.*

Registration priority

Registration for summer and fall terms is ongoing.

Registration takes place on RCC’s Website: www.roguecc.edu and at Rogue Central on the Grants Pass, Redwood campus; Medford, Riverside campus; and White City, Table Rock campus.

CLASS SIZES ARE LIMITED. Be prepared to select alternative classes or sections. Make an appointment with your advisor for required advising and approval to register.

NOTE: Registration priority is based on the number of credits earned at RCC. This does not include courses graded F, W, AU, NP, Z or I, or courses taken at another college. To find the number of credits you’ve earned, go to www.roguecc.edu/studentresources and look for your cumulative credits completed (Crs Com) at the end of your unofficial transcript.

**New students are students with no credits earned at RCC.

Rogue Central and Counseling Department hours:

- Redwood campus, Grants Pass, 541-956-7337 (Voice)
- Riverside campus, Medford, 541-245-7537 (Voice)
- Table Rock campus, White City, 541-245-7537 (Voice)

*Closed at 5 p.m. during the term breaks and summer term. Closed on Fridays during summer term.

Having trouble registering online? Email Rogue Central Services for Students at rcs@roguecc.edu

Disability registration

Students with physical limitations or certain disability conditions may need a special registration time. Contact Disability Services for an appointment to receive special registration authorization:

- Redwood Campus, Grants Pass, 541-956-7337 (Voice)
- Riverside Campus, Medford, 541-245-7537 (Voice)
- Table Rock Campus, White City, 541-245-7537 (Voice)

Drop/Withdraw

RCC considers the day and time that a student goes online and removes themselves from a class as the official date of their drop or withdrawal.

Helpful registration tips

1. If you are a declared major or a declared focus on AGS or AAOT and have completed WR115 and MTH60, schedule an advising appointment to register. Schedule your advising appointment as soon as possible.
2. To view course prerequisites go to www.roguecc.edu/Schedule.
3. All students may register on any scheduled registration day or time after their specific day and time.
4. Have trouble registering online? There are Academic and Registration Clinics. Contact the Counseling Dept. for dates and times or visit web.roguecc.edu/counseling/advising-registration-clinics.
5. If you want to take a class for fun and not for credit, visit www.roguecc.edu/CommunityEd, or call 541-245-7616 in Jackson County, 541-956-7303 in Josephine County.
Last date of attendance
Faculty are required to report a last date of attendance when they submit a non-passing grade. Non-passing grades are F, NP and Z. The last date of attendance is determined in this manner:
• Seat Class – last date of in-person attendance.
• Online Class – last date that a student submitted an assignment or test.
Student on financial aid who do not complete a term may owe a repayment of unearned aid if the most current last date of attendance is before the 60% point of a term.

Late registration
The deadline to register for term length classes is Wednesday the second week of each term by 11:59 p.m.
• After the first week of the term, all late registrations and additions to schedules must have an instructor’s permission code.
• After second week, $15 late registration fee. See details in “Money Matters.”

Wait list
If a class is closed because it has reached maximum enrollment, you may request to be placed on a waitlist on a first-come basis.

Until the first day of the term
When space opens in a closed class, the first person on the waitlist will automatically be registered. All other students on the waitlist move up on the list. To determine whether you have been automatically moved off the waitlist and registered in the class, keep checking your email or your printable schedule at www.roguecc.edu/myRogue.
If you have been moved into the class, you will be charged tuition and fees. Be sure to drop the class if you don’t want to attend and pay.

On the first day of the term
If your printable schedule shows that you are still on a waitlist and you want to add the class, attend class the first day and talk to the instructor. If the instructor agrees to admit you, use the permission code to add the class to your schedule.

Permission to add a class
Trying to get into a closed or waitlisted class? Go to the class during the first week of term and ask permission to add the class. Instructors have permission codes for their classes that will allow you to add the class online at www.roguecc.edu/myRogue, on the “Register with a Code” link, until second Wednesday of the term.

Financial aid

www.roguecc.edu/FinancialAid

Financial assistance for educational purposes comes from federal, state, institutional and private sources. Types of financial aid include grants, part-time employment, scholarships, and loans.

Visit the Financial Aid website (above), email Rogue Central at RCS@roguecc.edu, or stop by a Rogue Central service counter:
- Student Services Building, Redwood Campus
- G Building, Riverside Campus
- Room 187, Table Rock Campus

Contact the Financial Aid Office by mail, 3345 Redwood Hwy,
Grants Pass, OR 97527; by FAX: 541-471-3532; or by email: rcs@roguecc.edu.

Monitor your financial aid status by logging on at www.roguecc.edu/myRogue, then select the “Financial Aid Status” link.
The RCC Financial Aid Office will communicate with you primarily via email, text, and/or myRogue. To access information in a timely manner, keep your RCC personal information updated, check your email often for correspondence from “myRogue Team” with “Financial Aid Mail” in the subject line, and be sure your ISP allows mail from myRogueTeam@roguecc.edu.

Eligibility
Generally, students may participate in federal student financial aid programs if they are:
• U.S. citizens or eligible non-citizens.
• Have a high school diploma (not “extended”, or a recognized equivalent, eg. GED®).
• Admitted to the college.
• Enrolled in and working toward the completion of an eligible certificate or degree program (See Satisfactory Academic Progress policy.)
• Not in default or do not owe a repayment of federal financial aid.
• Demonstrate applicable need for financial assistance.

Eligibility for state aid generally follows federal rules, except for undocumented residents may apply with an Oregon Student Aid Application (ORSAA) at oregonstudentaid.gov/PublicTools/FinancialAid/PreFilter.
Eligibility requirements differ for various types of aid, and awards may also be limited to the availability of resources.

How to apply
1. Complete an annual Free Application for Federal Student Aid (FAFSA or Renewal FAFSA). Online applications are available at www.fafsa.gov. A hard-copy application is available by calling 1-800-4FEDAIL. The RCC federal school code is #010071. (Undocumented Oregon residents may complete an ORSAA in lieu of the FAFSA for state aid.)
   RCC recommends submitting an annual FAFSA, as soon as possible, on or after January 1 preceding the school year (October 1, 2016 for 2012-18). Applications completed at least six weeks before summer, fall and winter terms (four weeks for spring) will receive priority processing. For late applicants, funding may be untimely or limited.

   If a student answers “no” to every question in Section 2 of the FAFSA, the student’s application will be processed as a dependent, with parental information and signature. If a student is unable to obtain parental information or, in limited situations, finds it is inappropriate to do so, there may be options. See the RCC Independence Requirements form at www.roguecc.edu/FinancialAid/Forms.

   Once the federal processors have evaluated a FAFSA, they will email the results to the applicant in the form of a Student Aid Report (SAR) and to the colleges the student listed. Once RCC receives electronic SAR information, the Financial Aid office will email students if additional application documents are required.

2. Complete and return any requested documents right away. Students will be notified of financial aid eligibility per an official award letter or eligibility notification, both issued by RCC in good faith and based on information available at the time.

   Recipients must review and accept the Conditions of Accepting Financial Aid which includes policies such as Satisfactory Academic Progress and Return of Title IV prior to accessing their award letter.

4. Students interested in part-time work and/or student loan options may apply once the award letter or eligibility notification is issued and prior to term application deadlines. The loan application process opens the week of June 6, 2016. More information about these programs and application deadlines is available from Rogue Central and on the Financial Aid website.

Where’s the aid?
Students who complete their aid application by the RCC Financial Aid Priority Application deadline should see their term awards on their RCC student account about one week prior to the term, in time to charge books and supplies at RCC bookstores. To purchase books elsewhere, submit a Book Allowance Request Form to Rogue Central through the first week of the term.

On the second Friday of the term, students who have extra financial aid on their RCC student account will receive an electronic refund via Higher One®. For students who are dual-enrolled at SOU and have submitted a dual enrollment form, RCC will issue payment to SOU before releasing a refund of extra financial aid to BankMobile accounts.

Refunds are electronically transferred twice each week after the initial refund, through finals week. Refunds are not issued the week after a term while academic progress is being reviewed.

NOTE: After RCC receives your SAR and you register for classes, look for a BankMobile welcome package in the mail. Activate the electronic refund preference immediately to avoid delays in receiving the refund. For questions visit www.bankmobilevibe.com.

Graduation rate disclosure and Student Right-to-Know Act
www.roguecc.edu/Students/graduation_rates.asp
Rogue Community College strives to meet the needs of its students and help them make more informed decisions about attending college. As required by the Student Right to Know and Campus Security Act of 1990, the following information outlines RCC graduation and transfer rates.

The following graduation rates are the result of a three-year study of each fall term’s first-time freshmen entering RCC. These students must meet the following criteria:
- Have been a first-time freshman entering RCC in fall 2010-11;
- Have never previously attended any college;
- Have attended RCC full time (at least 12 credit hours) during their first fall term;
- Be identified as degree seeking using their declared majors.

Rates are reported as a three-year tracking period. This allows for
the reporting of completions (graduations) within 150 percent of the normal time. Transfer rates are for transfers to any college or university in the United States.

- 14 percent graduated by the end of winter term 2012 (certificate seeking) or by end of spring term 2013 (degree seeking)
- 18 percent transferred to another college or university

Crime prevention
www.roguecc.edu/Safety
The safety of students, faculty, staff, and guests is a top priority at RCC.

Classroom phones
Classroom phones enhance RCC’s Alert emergency message system. RCC has enhanced its emergency message system by installing special, emergency-message-compatible VOIP phones in all classrooms. The phones are ADA compliant and designed for emergency situations. Their primary function is to establish reliable communications in the time of crisis through voice broadcast.

Classroom phone functionality:
- The phone’s two soft buttons are programmed for 911 and the RCC security number for the campus where the phone is located
- The phone may also be used to dial internal extensions on any of RCC’s three campuses only.
- It is not possible to dial out to off-campus locations.
- Incoming calls from off-campus can be received; however, it’s not the intended use of the phones.

Emergencies
If an emergency exists:
- Call 911 without hesitation (Dial 911 if calling from a college phone)
- Then call Security at 541-218-2930.

Emergency information booklets are located at every RCC building exit. They include information about fire extinguishers, first aid kits, exit doors, emergency phone numbers and what to do in case of a fire or other disaster. All information regarding emergency procedures/plans are available on the RCC Safety website given above.

Reporting crime
Crime victims, regardless of how insignificant the crime, are encouraged to report the incident to the RCC Facilities Department. In an emergency, follow the above procedure (see Emergencies). Otherwise victims or witnesses should call the Facilities Office. Crime reports and any follow-up investigation will be kept on file.

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, a timely report of campus safety is made annually to the campus community. The report covers violent crimes of murder, rape, robbery, aggravated assault, burglary, and vehicle theft, and non-violent crimes of liquor violations, drug abuse violations and weapons possession. The report may be found at www.roguecc.edu/Safety/pdf/CampusCrime.pdf.

Further questions or concerns should be directed to security staff in either Josephine County at 541-956-7333 or Jackson County at 541-941-8699.

Vehicle emergencies
Students may call Security if they have a dead battery or have locked keys in their cars. Staff will assist if possible.

Earn credits toward a degree, or brush-up on work skills from home or office by taking Rogue Online courses. For many students, distance learning courses are the solution to managing full-time enrollment and full-time life.

Distance learning courses are similar to those held in a classroom. Students have a textbook, assignments and tests, an instructor and classmates. Students do not regularly attend class on campus but should devote at least as much time as they do to campus-based courses.

- Students must register for distance learning courses as they would for other RCC classes.
- To successfully complete a distance learning course, students need to be self-motivated, have good time management skills, and access to proper technology.
- Some distance learning courses require on-campus testing, labs or meetings.
- Because many online courses require students to watch streaming video programming, students should have access to a computer connected to the Internet (preferably high speed), a Web browser, and good technical skills.
- Full technical requirements can be found at roguecc.blackboard.com.

Getting started

Orientations are required for all RCC distance learning courses. In the majority of classes, instructors post their orientations online. For students who are new to online learning or want to refresh their skills, technical orientation videos are posted on the Rogue Online website. Visit go.roguecc.edu/department/distance-learning and click the “Rogue Online website” link.

For more information or support call 541-245-7514.

All online teachers expect students to participate in the class during the first week of the term. Students should check the syllabus to find out what instructors expect. Students not participating during the first week of classes will be subject to the administrative drop policy.

RCC schedules network maintenance every Friday from 2 to 8 a.m. Online courses may be unavailable during these times.

Fees

Fees for distance learning courses will be assessed at the following schedule:

- 1 credit course – $10
- 2 credit course – $20
- 3 credit course – $30
- 4 credit course – $40

NOTE: RCC’s regular administrative drop policy applies to distance learning courses. For specific information on the steps needed to maintain course enrollment, visit roguecc.blackboard.com.
