

College Level Exam Program (CLEP) chart

tors and earn RCC credit; high schools usually also grant credit for these classes. Pathfinder credits can be earned while working toward a Career Pathways certificate, a one-year certificate of completion, or a degree in a variety of programs.

Pathfinder requirements are:

- Be enrolled in or starting 11th or 12th grade,
- Have and maintain a 2.5 GPA per term,
- Be at least 16 by the first day of the semester/session for which the student has applied,
- Complete a placement test,
- Submit a completed Pathfinder application packet with the following:
 - Parent signature
 - Student signature
 - Completed recommendation form
 - High school transcript (an unofficial transcript will be accepted; report cards and progress reports will not be accepted)

Applications and more information are available from the RCC High School Alliance, Table Rock Campus, Room 201, 7800 Pacific Ave., White City, OR 97503, 541-245-7806, or HSA@rogucecc.edu.

Credit for prior experiential learning

Some departments may allow credit for prior learning (CPL), a process that allows students to demonstrate knowledge and/or skill to earn college credit for existing RCC classes by submitting a written portfolio through which evidence of relevant experiential learning is documented for faculty assessment.

CPL is based only on the assessment of documents; it is not a graded process. If students must receive a letter grade, they may apply for credit through the Credit by Examination process or register for the actual class instead.

CPL is awarded to students only as part of a current degree or certificate program based on departmental approval. It is awarded course by course, not in blocks. Students may be required to enroll in CPL120, a course that guides them through the portfolio process. To be eligible for CPL, students must have completed at least 12 non-CPL credits at RCC and be enrolled in at least three credits (excluding Credit by Examination) at the time application is made.

College Level Examination Program (CLEP) Credit	Scores	Credits	Course

Cal. BC**	4+	15	MTH251,252,253
Statistics	4+	4	MTH243

** Credit not granted in both, only one or the other, depending on the examination taken.

NOTE: No more than 25 percent of a program's total credits may come from credits granted for prior experiential learning.

Inservice training credit

Some academic departments award credit for successful completion of standardized competencies and training obtained through recognized career experience, in addition to college coursework. These trainings may be identical in content and proficiency requirements to content taught in college classrooms as part of degree programs in criminal justice, emergency medical services, fire science, welding, and early childhood education.

Requirements for documenting such competencies differ slightly between departments. Students should contact the appropriate department chair or program coordinator for more information.

Non-traditional credits

There are limits on the awarding of non-traditional credit (includes DANTES, CLEP, Credit by Exam, and Military Training/Experience).

Normally, a maximum of 24 non-traditional credits may be awarded toward any one-year certificate program and a maximum of 48 non-traditional credits toward any two-year degree.

Non-traditional credits do not count toward the minimum number of credits that the college requires be completed at RCC toward certificate and degree requirements. Any exceptions to this policy must be approved by the appropriate department chair and the college's chief academic officer.

Honor rolls

Rogue Community College recognizes superior academic achievement in college-level classes through a President's List and a Dean's List. To earn inclusion a student must complete at least 12 college-level RCC credits or more graded A through F and meet the following criteria:

- President's List: 4.0 term GPA
- Dean's List: 3.5 term GPA

Courses graded Pass/NoPass are not included in GPA calculations and do not count toward the honor rolls. See also "GPA calculation."

Members of both lists are eligible to join the community college honor society, Phi Theta Kappa.

International Baccalaureate Exam (IB) chart
