Mr. Jade Johnson, Director
Newline Sports Rehabilitation Center
2215 SE 22nd Street
Portsmouth, MA 08752

Dear Mr. Johnson:

Per our conversation today, I am forwarding a copy of my resume to be considered for the **Fitness Therapy Assistant** position with your center. I understand that Newline was recently listed by *Career Press* as one of the top 100 employers to work for in 2007 and also recently received an award from the American Sports Therapy Association for "Innovation in Service Excellence". My recent completion of Portsmouth Community College's Certification program for Fitness Therapy has prepared me well for the position you are seeking to fill.

My strongest qualifications for the position include:

- Current Certification for Fitness Therapy
- Current First Aid/CPR Certification
- Four years of personal training experience
- Recent HIV/AIDS education training
- Very positive personality with excellent people skills
- Excellent physical health

In addition to graduating in the top 10% of my class, I have been a volunteer for a community program to keep kids off the streets called, "Operation Safe Streets" for the past three years. I also play on an intramural sports team year round and volunteer as an assistant coach for my nephew's soccer team.

I look forward to meeting you in person to discuss your company's needs. I can be reached at 688-423-5597 or via email at: fitnessrehab@smaill.com.

Sincerely,

Jonathon Strong
