

April 15-19, 2019 is *National Student Employment Week!*

Student
Employees
bring

*Creativity,
Enthusiasm,
Dedication,
and
Initiative
to on-campus
positions*

During this week, please take a moment to appreciate your student employee(s) and all of the contributions they bring to your department!

Career and Student Employment Services appreciates all of the departments that support our student employees. On-campus student employment provides students with career-enhancing opportunities, the ability to develop new skills relevant to many careers, and the opportunity to be better prepared for the job market upon graduation! Thank you for providing RCC students with these valuable opportunities!
