

High School Completion Status Verification Form 2018-19

Full Name: _____ **RCC ID:** _____

Your FAFSA was selected for verification by the federal processors. This means that RCC must collect certain documentation from you. To be eligible for financial aid, you must have a standard high school diploma or equivalent. Please check each box that applies and submit at least one form of supporting documentation. If you are unable to do so, find information on RCC's GED program at www.roguecc.edu/GED/GEDFAQ.asp or www.roguecc.edu/GED/GEDtesting.asp. For questions, see Rogue Central Services.

(1) Standard High School Diploma ("modified" is eligible but "extended" is not)

Options to document:

- (a) A copy of your standard high school diploma; or
- (b) A copy of your final high school transcript showing the date you completed your secondary school education by earning a standard diploma.

Note: In cases where a copy of your standard high school diploma or final high school transcript is unavailable, e.g., the school is closed or located in a foreign country and the records are not available, RCC is willing to consider alternative documentation to verify your high school completion status. Such documentation must consist of an official letter from your school, Educational Service District or the Department of Education in the state/foreign country your school was located.

(2) Eligible Alternative: Completion of secondary school via homeschool

To document: Submit a transcript or the equivalent, signed by the parent or guardian, that lists the secondary school courses completed by the applicant and documents the successful completion of a secondary school education; or

(3) Recognized Equivalent:

- (a) General Educational Development (GED) Certificate; or
- (b) An academic transcript of a student who has successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree; or

Note: The following two options are not available in Oregon.

- (c) A state certificate received by a student after the student has passed a state-authorized examination that the state recognizes as the equivalent of a high school diploma; or
- (d) Transcript and documentation of excelling in high school from a school/school district in a state that offers such a program (not applicable for students pursuing a college Certificate program).

I certify that the above and attached documentation is true.
