**PLEASE READ before completing this form.** The 2018/19 Free Application for Federal Student Aid (FAFSA) collects 2016 income and a current snapshot of assets to calculate your Expected Family Contribution (EFC) and aid eligibility for the 18/19 academic year. RCC realizes that this is not always the best indicator of you/your family's financial ability to contribute to the cost of your education. Therefore, we offer applicants one opportunity to request that we use our **professional judgement (PJ)** to re-evaluate qualifying and documented changes. By submitting this PJ form, you are asking for a recalculation of your EFC using a more recent 12-month income period, or a new snapshot of assets/qualified expenses. Conditions must have existed for a minimum of 60 days prior to submitting this request form. Only one PJ will be considered for an academic year. Please allow four weeks for a decision. You will be notified by email if additional documents are required to complete our review.
