

# Industrial Mechanics and Maintenance Technology Apprenticeship

Holland code family: Doers

Associate of Applied Science Degree

[www.roguecc.edu/Counseling/HollandCodes/test](http://www.roguecc.edu/Counseling/HollandCodes/test)

## About the Program

The Industrial Mechanics and Maintenance Technology Apprenticeship program is based on the Bureau of Labor and Industries (BOLI) Oregon State Apprenticeship Training Council and local Joint and Trades Apprenticeship Training Committee related training standards. It combines full-time, on-the-job work experience with trade-related theoretical instruction. The degree is available only to BOLI-registered apprentices. If you are interested in becoming a registered apprentice in an Oregon state apprenticeship program, contact Cathy Pierson at 541-245-7912. RCC supports these BOLI-ATD trades: airframe/power plant technician and boiler operator (4,000 hours); tool and die maker, millwright and motor winder (8,000 hours).

This AAS degree is a credential within Rogue Community College's Industrial Mechanics and Maintenance Technology Apprenticeship Pathway. The pathway model provides statewide transfer opportunities, ladder-type certificates of completion, and an optional transfer path into a bachelor's of science degree at Oregon Tech. If students intend to transfer to SOU's Bachelor of Applied Science degree program, transfer courses should be chosen from the list of electives where possible. See an advisor for more information or visit [www.sou.edu/degreecompletion](http://www.sou.edu/degreecompletion).

The degree features general education courses prescribed by Rogue Community College, related training credits previously earned in the certificate of completion, college credit for an earned journey-level card, and some industry electives. It also provides additional access to related training courses across the state for registered apprentices with aligned program outcomes, assessments and courses.

The curriculum in RCC courses is derived from a set of identified learning outcomes that are relevant to the discipline. For a list of learning outcomes for this discipline or program, see [www.roguecc.edu/Programs/LearningOutcomes](http://www.roguecc.edu/Programs/LearningOutcomes).

## Entry Requirements

Students are required to take a placement test to determine skill level and readiness in math, reading, and writing. As part of their training program, students must begin with the courses within their skill level as determined by placement test scores. In addition, students may also be required to enroll in classes that would increase their employability and success.

## Advanced Standing

Coursework from accredited colleges and universities will be accepted in accordance with college policies and approval of the department chair. Credits earned in the successful completion of Career Pathways certificates can be applied to other certificates and degrees in the Career Pathway. For more information, speak to a program advisor and review the roadmap at [www.roguecc.edu/CareerPathways/](http://www.roguecc.edu/CareerPathways/).

## Graduation Requirements

Students must complete all courses in this program with a grade of "C" or better to receive their degrees. Certain required courses are graded on a pass/no pass basis only. A grade of "P" for these courses indicates a student earned the equivalent of a "C" or better grade. Students must also possess the appropriate Bureau of Labor and Industries Apprenticeship certificate and be recommended by the Joint Apprenticeship and Training Committee or Trades Apprenticeship and Training Committee. This degree does not guarantee licensure.

## General Education Requirements

Course No.	Course Title	Credits
BT101	Human Relations in Organizations or PSY101 Psychology of Human Relations	3
CS__	Approved 3-4 credit computer science class, CS120 or above (or documented computer proficiency) <sup>1</sup>	0-4
LIB127	Introduction to Academic Research	1
MTH60	Fundamentals of Algebra I or MTH63 Applied Algebra I or higher level math	4
WR115	Introduction to Expository Writing <sup>2</sup>	3
WR121	English Composition I <sup>2</sup>	4
HE112	Emergency First Aid	1
<b>Total General Education Credits</b>		<b>16-20</b>

## Credit for Prior Certification

(Work-based Learning)<sup>3</sup>

Course No.	Course Title	Credits
APR105	Apprenticeship Credit for Prior Learning	11-22
	• Airframe and Power Plant Technician – 16 credits	
	• Boiler Operator – 11 credits	
	• Tool and Die Maker – 22 credits	
	• Millwright – 22 credits	
	• Motor Winder – 22 credits	

**Total Credit For Prior Certification**

**11-22**

## Related Training

Course No.	Course Title	Credits
—	Credit toward an Associate of Applied Science degree earned through related apprenticeship training classes in these trades:	24-46
	• Airframe and Power Plant Technician – 37 credits	
	• Boiler Operator – 24 credits	
	• Tool and Die Maker – 24 credits	
	• Millwright – 34 credits	
	• Motor Winder – 46 credits	

## Approved Program Electives

Course No.	Course Title	Credits
—	Any college-level course (numbered 100 or above) to meet minimum degree requirement	2-39

## MINIMUM TOTAL PROGRAM CREDITS REQUIRED

**90**

<sup>1</sup> Successful completion of CS120 or otherwise meeting the proficiency requirement within the last 10 years fulfills this requirement.

<sup>2</sup> In lieu of WR115 and WR121, students may substitute BT113 Business English I and BT114 Business English II (8 credits total); or BT113 Business English I (or WR115 Introduction to Expository Writing) and three or four credits of speech (SP100 Basic Communication, SP111 Fundamentals of Public Speaking, or SP218 Interpersonal Communication), 6-8 credits total.

<sup>3</sup> A maximum of 22 credits can be earned for documented work-based learning for registered apprentices and journey persons. Students must provide a State of Oregon Apprenticeship Training Journeyman card or BOLI-ATD certificate.
