

Computer Support Technician: Computer Software Specialist

Holland code family: Organizers

Career Pathways Certificate

www.roguecc.edu/Counseling/HollandCodes/test

About the Program

The Computer Software Specialist Career Pathway Certificate is designed to give students a comprehensive knowledge of a variety of commonly used software programs. It generally can be completed in one to two terms. Students will learn industry standard word processing, spreadsheet and presentation programs, as well as gain a strong foundation in operating systems. Students will be prepared for careers where strong computer application skills and computer system navigation are required. This is not an aid-eligible program.

The Career Pathway Certificate is the first step towards the Computer Support Associate of Applied Science degree or Computer Support: Healthcare Informatics Associate of Applied Science degree option. The curriculum in RCC courses is derived from a set of identified learning outcomes that are relevant to the discipline. For a list of learning outcomes for this discipline or program, see www.roguecc.edu/Programs/LearningOutcomes.

Entry Requirements

Students are required to take a placement test to determine skill level and readiness in math, reading, and writing. As part of their training program, students must begin with the courses within their skill levels as determined by placement test scores. In addition, students may also be required to enroll in classes that would increase their employability and success.

Advanced Standing

Coursework from accredited universities will be accepted in accordance with college policies and the Computer Science Department chair's approval. In order to ensure that coursework is current, program courses over five years old must be reviewed and approved by the appropriate department chair before being accepted toward core requirements. Students in the high school College Now credit program must meet with the department chair to determine placement.

Credits earned in the successful completion of Career Pathways Certificates can be applied to other certificates and degrees in the Career Pathway. For more information, speak to a program advisor and review the roadmap at www.roguecc.edu/CareerPathways/.

Computer Software Specialist — Career Pathways Certificate (16 credits)

- Entry-level computer specialist ¹

Computer Support Technician: Health Care Informatics option — Associate of Applied Science (AAS) (91-95 credits)

- Advanced-level computer specialist ¹
- Database manager ¹
- Computer programmer ¹

Computer Support Technician — Associate of Applied Science (AAS) (90-92 credits)

- Advanced-level computer specialist ¹
- Database manager ¹
- Computer programmer ¹

¹ For current wage and gainful employment data, see the Jobs & Wages box within the specific program roadmap at www.roguecc.edu/CareerPathways/

Completion Requirements

Students completing the required credits in this program with a grade of "C" or better will receive a Career Pathways Certificate in Computer Software Specialist. Certain prerequisite and required courses are graded on a pass/no pass basis only. A grade of "P" for these courses indicates a student earned the equivalent of a "C" or better grade.

Prerequisites

Course No.	Course Title	Credit
CS120	Concepts in Computing I or documented computer proficiency ¹	0-4
MTH60	Fundamentals of Algebra I or designated placement test score	0-4
RD90	College Reading or designated placement test score	0-4
WR90	Fundamentals of Composition or designated placement test score	0-4

Total Prerequisite Credits **0-16**

Required Courses

Course No.	Course Title	Credit
CS125DB	Database Management Systems (Access)	3
CS125SS	Spreadsheet Applications (Excel)	4
CS125PPT	Effective Presentations (PowerPoint)	2
CS125WW	Word Processing Applications	3
CS140	Introduction to Operating Systems	4

TOTAL PROGRAM CREDITS **16**

¹ Successful completion of CS120, or otherwise meeting the proficiency requirement within the last 10 years, fulfills this requirement. Contact a computer science advisor to help determine placement.
