

Repairing/Rebuilding After a Wildfire – Resources You Can Use

Mitigation is acting now to reduce future risk. You can repair/rebuild safer and stronger after wildfires and straight-line winds and Community Education and Outreach can help you on your recovery journey.

- Would you like information on how to make your home safer in a wildfire?
- Would you like information on how to rebuild with wildfire-resistant construction materials?
- Do you know what plants are wildfire-resistant?
- Do you have Flood Insurance?
- Do you know what is your new risk for flash flooding following a fire near you?

To Contact a Hazard Mitigation Specialist:

email us at FEMA-R10-MIT@FEMA.DHS.GOV

1. Download a FREE QR Code Reader on the Apple Store and the Play Store
2. Scan the code
3. Open the document and review the information
