## Transfer Checklist

- Have you researched Colleges/Universities that offer your desired major?
  - Have you looked at what requirements you need for transfer at your College/University of choice?
  - Do you meet those requirements?
  - What are the deadlines for those requirements?
  - Does your transfer school of choice have a second language requirement?
  - Is there any additional documentation you need for your application to the school's program you are interested in?
  - Have you completed all the required courses for your transfer and/or program?
  - Is there a fee for your school/program application?
- Have you met with an advisor at your current school about your desired transfer?
- Are there other courses you could take for your program before transferring?
- Have you looked into transfer scholarships or other scholarships at your school of choice?
  - Are you eligible for the TRiO EOC program here at Riverside? 541-245-7719 <http://www.roguecc.edu/TRiOEOC/Appl.asp>
  - Do you attend the Redwood or Riverside Campuses? Are you eligible for the TRiO SSS program? 541-956-7342 or 541-245-7547 <http://www.roguecc.edu/TRiOSSS/>
- If transferring out of state are their programs that will maintain in-state tuition at the school of your choice?
- Have you completed all the paperwork for admissions, financial aid, and scholarships by *their* deadlines?
- Have you requested and sent your official transcripts to your school of choice? <http://www.roguecc.edu/Enrollment/forms/OfficialTranscriptRequest.pdf>
- Have you looked into housing in the area of your school of choice?
- Have you set up an appointment or spoken to an advisor at your school of choice?
- Have you taken a tour or visited the school of your choice?
- Is the campus/community environment one that you will be successful in?
- Is the school location one that works for you?
- Have you taken advantage of the college transfer fair to speak to your school of choice?
- Did you double check that everything that was needed is complete?
- Did you make copies of everything for your records?
